

PROMOTE THE USE OF L-BAND SPECTRUM FOR IMT SERVICES

Virtual Workshop
Tue., 19th Oct. 2021, 09h00-12h00 (GMT+7)

TENTATIVE AGENDA

09:00-09:05	Opening <i>Opening Remarks by Mr. Sokharath Penh, Chair of ASEAN Sub- Working Group on Spectrum Management (SSM)</i> <i>Welcome Remarks by Mr. Tran Manh Tuan, Deputy Director General of Radio Frequency Management (ARFM), MIC Viet Nam</i>
09:10-09:20	Session1: Landscape of L-band, from ASEAN to global Landscape of L-band, from ASEAN to global <i>by Mr. Ho Quang Son - Frequency Policy and Planning Div., ARFM</i>
09:20-09:50	Session 2: Trend of using mobile broadband in 1427-1518 MHz: advantages and challenges, technology selection 1. Status of the L-band for implementation of terrestrial IMT technologies. <i>By Dr Hakan Ohlsen - Director, Spectrum and Radio Technology Strategy, Ericsson</i> 2. Use of L-band for IMT in Japan. <i>By Dr. Hiroyuki Atarashi - Senior Manager, NTT DoCoMo Inc, Japan</i>
09:50-10:10	Session 3: IMT ecosystem in L-band L- Band 1427-1518 Global Industry Update and Technical Feasibility. <i>By Mr. Frank Yuan (Yuan Fan) - Marketing Director of Huawei Asia Pacific Region, Huawei;</i>
10:10-10:20	Break
10:20-10:30	Session 4: Trend of using Satellite communication in L-band Innovation in Satellite L-band Connectivity <i>By Ms Donna Murphy - SVP Regulatory, Inmarsat</i>
10:30-11:10	Session 5: IMT – MSS coexistence

	<p>1. IMT- MSS coexistence <i>By Mr. Paul Deedman - Director, Spectrum Regulations, Inmarsat</i></p> <p>2. IMT- MSS coexistence <i>By Mr. Glyn Carter - Future Spectrum, GSMA</i></p>
11:10-11:30	Session 6: L-band roadmap in ASEAN <p>1. Thailand's Preliminary view on L-Band <i>By Mr. Artprecha Rugsachar - Division Director from Spectrum Management Bureau, Thailand;</i></p> <p>2. Towards a harmonized band plan for ASEAN countries <i>By Mr. Ho Quang Son - Frequency Policy and Planning Div., ARFM</i></p>
11:30-11:50	Session 7: Panel discussion on promote the use of L band spectrum for IMT services in ASEAN <i>Moderator: Mr. Bui Ha Long - Deputy Director, Frequency Policy and Planning Div., ARFM</i> <i>Participants: all speakers</i>
11: 50	Wrap-up
